

In the box below are the names of seven poems you have studied. Your task is to fill in the 'bracelet' below. Each poem must connect to the two poems on either side of it. The trick is to ensure that you arrange them so as to get a chain that connects effectively! As you go, label your bracelet so it is clear why you have made each connection.

'Stewart Island'	'Adlestrop'	'I Started Early -'	'First Flight'
