

Write an informal letter to your English teacher, telling them about your first impressions of secondary school.

You should start your informal letter like this:

	Your house number and road Your town Your county Your postcode
	Day, ..... <sup>th</sup> September 2019
Dear .....,	

Some things for you to write about:

- What is different or the same about primary and secondary school?
- What have you found surprising?
- What have you enjoyed?
- What challenges have you encountered?
- Have you made any new friends? What are they like?
- What do you think about the teachers and subjects?
- How are you coping with the new routines?
