

10 Giving instructions

Skills

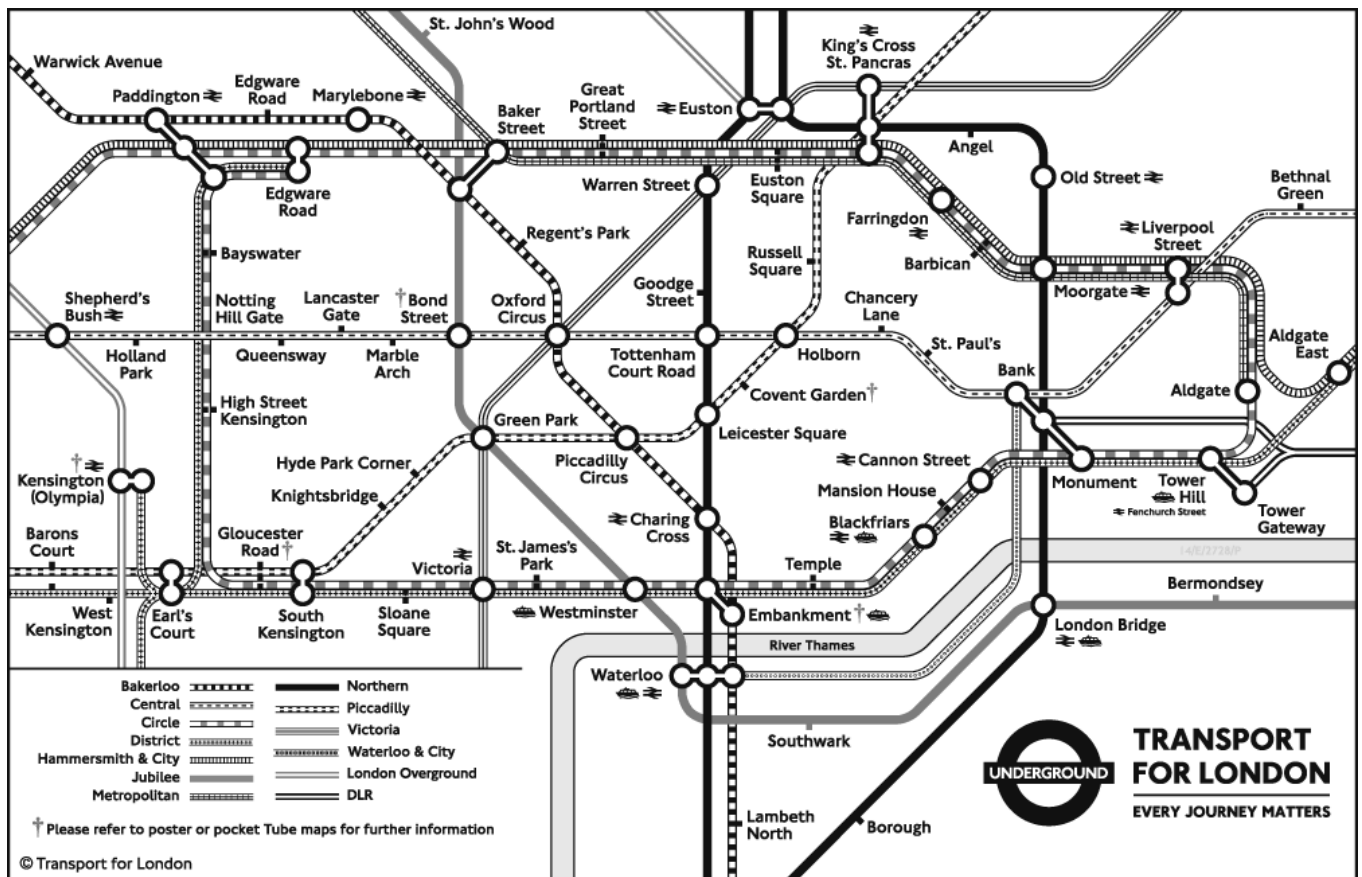

Reading: reading for information

Speaking and listening: giving clear instructions

This unit is all about the way we give and listen to instructions.

1 Read the map of the London Underground system below. In pairs take it in turns to tell a partner the easiest route (with fewest changes) to get from:

- A South Kensington to Lancaster Gate
- B Moorgate to Knightsbridge
- C Edgware Road to Westminster
- D Monument to Hyde Park Corner

- 2** The secret of good instructions is to keep them simple and step-by-step.

Working with a partner, give instructions on one of the following:

- A** How to get from your house to school.
- B** How to tie a tie.
- C** How the scoring system works in cricket, tennis, or another game you are familiar with.

- 3** Come up with a list of three to five essential hints for giving good instructions.
