

Descriptive writing

Your task: describe the wilderness in the winter through Kit's eyes.

- Remember to write in the first person as though you are Kit describing a walk across the wilderness to Askew's den (and then inside).
- Be careful though, this is **not** a story, it's a description of place!
- Write in the past tense.
- What do you think/feel about this place?
- What does it look like?
- Remember that it is **winter**.
- Try to use a selection of interesting adjectives and adverbs.
