	Definition	Examples
National		
Regional		
Local		
Tabloid		
Broadsheet		

RESEARCHING NEWSPAPERS

There are many types of newspaper in Britain. They include broadsheet, tabloid, national, local and regional. The type of newspaper will affect the audience and therefore the contents, language and style. Look closely at three different newspapers, and report your findings in the table below:

	Newspaper 1	Newspaper 2	Newspaper 3
Name of newspaper			
Type of newspaper			
Stories covered			
Headlines (give examples)			
Language (give examples)
